Hiring Manager
[Company Name]

Re: [Job Title]

Dear Hiring Manager,

I am writing to apply for the [Job Title] position at [Company Name]. I am a payroll professional with more than five years of experience processing full-cycle, multi-cycle payroll in ADP Workforce Now, with strong knowledge of California wage and hour compliance, payroll reconciliation, and year-end tax reporting.

In my most recent role at Crane Pest Control, I processed bi-weekly payroll, audited timesheets for overtime and shift differentials, administered benefits deductions and garnishments, and supported quarterly and year-end filings, including W-2s and 1099s. Earlier, as a Payroll Assistant at Freeway Insurance, I verified timekeeping data and pay changes, answered employee pay and time-off questions, and coordinated new hire paperwork and I-9 verification with HR.

Accuracy, discretion, and dependable follow-through are the standards I bring to every pay cycle. I catch discrepancies before payroll runs, keep records audit-ready, and communicate clearly with employees and managers.

I would welcome the opportunity to discuss how I can help [Company Name] keep payroll accurate, compliant, and on time. Thank you for your consideration.

Sincerely,
Crystal Suber
